Frequently Asked Questions

Absolutely! Alinghi is perfect for both children and adults alike. There are some areas where children do need to be supervised such as the pool and beach but our Caretakers will go through this with you on arrival.

The property does not carry these items as they do vary according to height and weight and age of the child. However they can be hired locally at an extra cost.

3) Can the Master Bedroom Pavilion be rented on its own?

All cooking and dining facilities are in the Main Pavilion so Master Bedroom Pavilion can only be rented in conjunction with the Main Pavilion.

Alinghi does have a gas BBQ but there is also a BBQ and dining/entertaining area at the poolside cabana which is part of the estate facilities.
